

Women's Wellbeing Coach

Kettering and North Northants, 18-28 hours

We are currently recruiting an enthusiastic Women's Wellbeing Coach to join our team working across Kettering & North Northants, who will play a vital role supporting women that are on probation orders or leaving prison.

C2C Social Action supports people at any stage of the criminal justice system across Northamptonshire and Milton Keynes, working in partnership with many agencies including, The Probation Service, NHFT and a large number of other statutory and third sector agencies. We deliver high quality person centred support to adults involved in the criminal justice system with varying needs, including risky offending behaviour, mental health difficulties, domestic abuse, substance misuse, debt, homelessness and much more.

The post holder will be part of a multi-agency team providing person-centred support focusing on addressing a range of issues faced by service users referred by The Probation Service. Interventions will focus on addressing the following: Families and significant others, Lifestyles and Associates, Social Inclusion, Emotional Wellbeing, Accommodation, Finance, Benefit and Debt, Dependency and Recovery, Employment Training and Education
